Letter from the Blind Sports NS Chair

Hello supporter!

We'd like to tell you about a unique way you can make a lasting impact to your community through competitive parasport.

Blind Sports Nova Scotia is proud to host the **9th annual Nova Scotia Open Goalball Tournament**, the only competition of its kind east of Montreal.

Saturday & Sunday, November 22 & 23 2025, blind athletes from across North America gather in Halifax at LeMarchant St. Thomas School to compete in the only Paralympic sport created specifically for athletes who are blind and have low vision.

Blind Sports Nova Scotia is a 100% volunteer-powered organization, and we're looking for standout community sponsors to make a meaningful contribution!

Keep reading to find out how you help us grow the exhilarating sport of goalball.

Peter Parsons

About Goalball

Goalball is a Paralympic sport originally created after WWII for veterans blinded in combat. It is a team sport played by athletes who are blind or visually impaired. Played on a volleyball sized court on a gym floor with goals at either end spanning the entire back line, two teams of three players compete by throwing a ball along the floor and into the opposite team's goal. The opposing team attempts to physically block the ball from crossing the goal line. Because players can have different levels of vision, all participants are blindfolded to create a level playing field. The players orient themselves on the court by feeling the raised lines on the floor; and the ball has bells in it, allowing players to hear the ball during play. Goalball is played throughout the world by both men's and women's teams, with international competition culminating at the World Championships and Paralympics. Learn more about goalball at these links: [Paralympic Sports A-Z Goalball](#) and [Why We Love Goalball](#)

About the NS Open Goalball Tournament

The Nova Scotia Open Goalball Tournament is the only competitive goalball event of its kind east of Montreal.

This tournament welcomes teams from across Canada and the USA. The competition features regional, national and international level athletes, many from the Atlantic region, competing with their club/provincial teams.

New this year, we're offering \$5,000 in prize money for winning teams! \$3,000 for 1st place, \$1500 for 2nd, and \$500 for 3rd.

Our tournament offers some of the most exciting competition of the goalball season. We hope to again attract a large audience to cheer on the athletes.

Sponsorship Opportunities

The value of any monetary or non-monetary contribution required to host a successful tournament (i.e. food, beverages, t-shirts, etc.), may count towards achieving one of the following sponsorship levels:

Paralympic Gold Plus Sponsor

A \$5,000 sponsorship contribution would allow our Paralympic Gold Plus Sponsor's name to become part of the tournament name, which would be mentioned in all advertising and media releases, on the front of the tournament participant and volunteer T-shirts, and on an individual banner or poster in the gymnasium. A representative of the Paralympic Gold Plus Sponsor would be invited to present medals at the closing ceremony. In addition, the Paralympic Gold Plus Sponsor would also be invited to set up a corporate booth at the gymnasium and they will also receive social media, website and live stream mentions.

Gold Sponsor

With a sponsorship contribution between \$2,500 and \$4,999, the Gold Sponsor would have their name and logo placed on the back of the tournament T-shirts, and on an individual banner or poster in the gymnasium. Gold Sponsors will also receive social media, website and live stream mentions.

Silver Sponsor

With a sponsorship contribution between \$1,000 and \$2,499, the Silver Sponsor would have their name placed on the back of the T-shirts, and all the names of the Silver Sponsors will be placed on a poster in the gymnasium. Silver Sponsors will also receive social media, website and live stream mentions.

Bronze sponsor

With a sponsorship contribution between \$500 and \$999, all the names of the Bronze Sponsors will be placed on a poster in the gymnasium. Bronze Sponsors will also receive social media, website and live stream mentions.

Goalball Supporter

Goalball supporters can contribute up to \$499 and all the names of the Goalball supporters will appear on a poster listing in the gymnasium.

Thank You

It takes a great deal of resources and community support to host a tournament of this kind.

To encourage community involvement and awareness for this Paralympic sport and our local athletes, we do not charge spectator admission, and registration fees for teams are kept low in an effort to attract the best competition.

Community support from sponsors and volunteers is critical to our success. As a sponsor of the Nova Scotia Open Goalball Tournament, you will demonstrate to the local, regional, national and international communities your awareness and support for the abilities of athletes with vision loss. Sponsorship levels are presented on the previous page.

Please consider supporting Blind Sports Nova Scotia and the 8th annual Nova Scotia Open Goalball Tournament. We are very grateful for any help you may be able to contribute. If you have any other questions about the tournament, goalball, BSNS, or how you can help, we'd love to hear from you!

About Blind Sports Nova Scotia

Blind Sports Nova Scotia is a non-profit charitable organization, a chapter of the Canadian Council of the Blind, division of the Canadian Blind Sports Association, and associate member of Sport Nova Scotia. All our programs are made possible by dedicated volunteers.

Our Mission is to connect Nova Scotians who are blind and visually impaired of all ages & experience to sport, recreation, community, and healthy lifestyles. Our programs include goalball, tandem biking, and more. We work closely with community partners to offer running guides, blind hockey, group fitness classes, and dragon boating.

We're honoured to host the annual Nova Scotia Open Goalball Tournament, Goalball National Championships, charity auctions, and public demonstrations & education.

Blind Sports NS provides recreational and competitive training opportunities for Nova Scotia goalball teams. These teams have had tremendous success and are a formidable presence at tournaments. The local groups involved in these phenomenal championships found themselves part of a new opportunity to support athletics both through sponsorship and volunteerism.
